

# MSI MoldBuilders

Using **artificial intelligence** to build a more **efficient digital office**.

As a state-of-the-art injection mold producer, MSI Mold Builders wanted to digitize their AP processes and cut down on processing time for over 1,200 invoices received monthly. Using a suite of Digitech's products, they've increased efficiency, saved money, and gained control!

Forms Magic has revolutionized our AP processes! We've been able to cut our invoice processing time by over 75%. We're saving the organization money and improving relationships with our business partners. We love Forms Magic!

-Jason Sojka, Network and Computer Systems Manager

## Fast Processing

Invoices only take 15 minutes to process, saving over 10,000 hours annually.

## Massive ROI

Saves more than \$676,000 per year by saving more than \$40 per invoice.

## Effective Training

Implementation and training for nine people were completed in just a week!
